

PRIMERA SEMANA 5° PRIMARIA:

➤ SCIENCE: Modelo de respuestas

LIVING ORGANISMS: PLANTS (UNIT 1) pages 8-9

1. Draw a cell and write its parts

Cell membrane, cytoplasm and genetic material (in a nucleus or not).

2. What's the difference between autotrophic and heterotrophic nutrition?

Heterotrophic living beings feed on other living beings and autotrophic organisms make their own food.

3. What are the 5 kingdoms? Write some examples.

The five kingdoms are:

- Monera: for example, bacteria
- Protocista: protozoa and algae
- Fungi: moulds and mushrooms
- Plants: roses and oaks
- Animals: whales and bats

➤ ENGLISH:
