Read this text:

MY HOME:

Hi, my name's John.

I live in a flat, with my mother and my sister.

When you go in, you can find a hall. On the right, there is a kitchen. In front of* the kitchen there is a dining-room and on the left there are three bedrooms and a bathroom.*

The kitchen is small, but it's OK for us. In the kitchen, there is a window. The curtains are yellow. There is a sink. In the middle, there is a white table and two white chairs. Oh, there are some cupboards, too!, for pans*, dishes and so on.*

In the dining-room there is a big table and four black chairs. There is a piece of furniture with glasses and DVDs, and there are some pictures on the walls. On the right, you can find a green sofa. Opposite* the sofa is the TV. I go to sleep in front of the TV after lunch! There are some plants and there is a big window. This room has a lot of light. I love it!*
