Complete the sentences with the words on the table.

[Completa las frases con las palabras que están encima de la mesa.]

Tienes que tener en cuenta las palabras de cada frase para saber si están hablando del presente [is, isn't / are, aren't] o del pasado [was, wasn't / were, weren't]. Por ejemplo, la primera frase dice:

- ✓ Today it ___ sunny: como dice **today** [hoy], estamos en el presente, así que sólo puede ser:
- Today it **is** sunny.
 - Today it **isn't** sunny.

[yesterday: ayer; last year: el año pasado; this year: este año; now: ahora]
