

→ **The Questing Beast** (Student's book pages 52-53):

1. **Look for** 5 sentences in the story with there was or there were:

- Picture 1: "And in the forests, there were dragons and other dangerous beasts."
- Picture 3: "There were scales on its head and neck but..."
- Picture 6: "Suddenly there was a strange noise from behind..."
- Picture 7: "There were lots of parties and tournaments at Camelot..."
- Picture 8: "There were many long conversations between..."
- Picture 9: "Then one day there was a noise in the forest."

2. **Find** 5 body parts in the story:

Head, body, tail, neck, feet (picture 3).

3. Picture 2: What is Sir Pellinore like?

He is kind and brave. [*Es amable y valiente.*]

→ **Activity Book**: page 52: 1 and 3:

1. Classify the words:

place <i>lugar</i>	time <i>tiempo</i>	characters <i>personajes</i>
In a forest	Yesterday	A queen
By a lake	In the time of legends	A wizard
On a mountain	Last month	A knight
In a castle	Once upon a time	A dragon

3. Complete with **was / wasn't / were / weren't**:

Once upon a time* there **was** a land full of castles, forests and lakes. The princess of the land **was** a strong girl. She **wasn't** completely happy in her castle. Her father, the King, **was** a very good man, but he **wasn't** always* there with her* and sometimes she was lonely*. There **were** many secret rooms in the castle and there **were** secret caves in the forests too. There **were** monsters in the lakes, but they **weren't** dangerous. One day...

*once upon a time: *érase una vez...*; *always: *siempre*; *there with her: *allí con ella*;

*lonely: *solo, sola*
