

INGLÉS 6º SEMANA 9

Esta semana vamos a aprender a emplear el futuro en inglés. Empezaremos con una explicación teórica.

Usamos el futuro con **will** para hablar sobre el futuro y hacer predicciones futuras.

We can use ‘**will**’ or ‘**’ll**’ to talk about the future and make future predictions. For the negative, we can say ‘**will not**’ or ‘**won’t**’.

I’ll live in a big house when I’m older.

*She **will** have lots of pets.*

*Children **won’t** go to school in the future.*

*We **will not** drive normal cars.*

Be careful!

The main verb is without ‘to’.

*My friend **will be** a vet to help animals.*

*I **won’t forget** my friends when I grow up.*

We say... We don’t say...

People will drive flying cars in the future. (NOT People will to drive flying cars in the future.)

I won’t live at home when I go to university. (NOT I willn’t live at home when I go to university.)

My father won’t be happy when he sees this broken window! (NOT My father won’t to be happy when he sees this broken window!)

A continuación vamos a ver un vídeo con la explicación.

Kitty's dream job

'Will' - future predictions

KITTY: Gran, is that you?

GRAN: Yes, but a long time ago.

KITTY: What was your job?

GRAN: I was a nurse and I helped sick people. I was living in Paris with your grandfather. It was wonderful. Every day we ate amazing French food!

KITTY: Wow! When I grow up I think I ... will?

GRAN: That's right, we use 'will' to talk about the future.

KITTY: I will be a vet and I'll help sick animals. I'll live in Australia with Hero. I'll have a big house and I'll eat ice cream every day!

GRAN: Will you really eat ice cream every day?

KITTY: Yes, every day!

GRAN: You will be very sick! You won't be able to help sick animals. Instead they will have to help you!
