

## Past simple

### Remember!

For regular verbs, we add -ed. For irregular verbs, there is a special past tense form.

regular verbs: *play – played, watch – watched, want – wanted*

irregular verbs: *eat – ate, write – wrote, go – went*

### Be careful!

When we use the negative, we don't change the main verb. We use 'didn't' instead.

*I **didn't** watch TV.*

*I **didn't** go to school.*

### We say... We don't say...

*I had fun! (NOT I haved fun!)*

*He didn't play tennis. (NOT He didn't played tennis.)*

*They went to France. (NOT They wented to France.)*

## Past simple – endings

### 1. Read and find.

Find the verbs in the past simple and write them in the boxes.

Yesterday I **went** to the playground near my house. I had a lot of fun. I played on the swings and the slide but I didn't go on the roundabout. I saw my best friend there. We talked about her birthday and she invited me to her party. Afterwards I didn't want to go home!

went			

We can use the **past simple** to talk about things we did in the past.

The past simple ending is **-ed** for regular verbs:

play – **played**, watch – **watched**, want – **wanted**

Irregular verbs have a special form:

eat – **ate**, write – **wrote**, go – **went**

For the negative, **don't** change the main verb. Use 'didn't' instead:

play – **didn't** play, eat – **didn't** eat

### 2. Match them up!

Match the verbs with their past simple form.

go	→	went
talk		talked
do		didn't like
like		gave
give		didn't drink
visit		didn't do
drink		didn't walk
walk		visited
